

The Hairman's ~~Associate~~ program

Designed for the stylist who's hungry for growth- committed to education, collaboration, and becoming the best version of themselves.

At The Hairman, we don't just teach; we coach, mentor, and walk beside you every step of your journey. Our Associate Program is a hands-on, growth-focused experience built to help new stylists gain confidence, sharpen their skills, and thrive behind the chair.

Through personalized feedback, real guest experience, and consistent mentorship, you'll build both technical and business foundations that set you up for long-term success.

What You Can Expect:

- ✓ 1:1 coaching and feedback to build confidence
- ✓ Goal setting and regular check-ins to keep you on track
 - ✓ Real salon experience- not just mannequins
- ✓ Hands-on education in color, cutting, guest experience & more
- ✓ A supportive team that cheers you on every step of the way

Your Growth Journey:

Learn & Build Confidence – Master the basics and get comfortable with salon life.

Skill Development & Client Growth – Sharpen your skills and start building your clientele.

Independent & Thriving Stylist – Step confidently behind the chair with advanced techniques and business know-how.

Our program typically runs 4–6 months, with each phase lasting 4–7 weeks, customized to your skill level, communication, and dedication.

At The Hairman, we're passionate about transforming artists into extraordinary salon professionals - giving you the tools, education, and community to build a phenomenal career.
